My Dear Brothers and Sisters,

One thing that we've probably missed over the past 18 months of lock-down is a good party. This month should enable us to party again! Lots of Jesus' parables focus on parties, as they are a picture of the joy, hope and life of the kingdom of God. The parable of the Great Banquet (Luke 14: 15 -24) challenges us not to miss out on this.

In Jesus' day, when people accepted an invitation to a banquet, they were only told the actual time on the day: 'Come, for everything is now ready'. Jesus invites each one of us to share in the life of His kingdom.

However, the guests made excuses for not coming. At the time, this would have been extremely insulting to the host. They said: 'I have just bought a field; I must try out my new team of oxen; I have just got married'. These are all good things in themselves, however they reveal their priorities were elsewhere. We too can be pre-occupied with our own routines of work, family, retirement, holidays, friends, home, social media, that we forget God's priorities for our lives. Jesus calls for total commitment from His disciples. What priority in my life is holding me back from accepting His invitation?

How did the host respond? He ordered His servants to 'Go out quickly into the streets and alleys of the town and bring in the poor, the crippled, the blind and the lame.' He invited the unexpected and unacceptable people to his banquet.

Jesus makes the point that God's kingdom is open to all! Thinking about our family, friends, colleagues and neighbours, even if they're not like us or show little interest in God: As we begin to slowly emerge from Lockdown, are we willing to offer our neighbours in Christ God's invitation to share His love and life?

We have a lovely event to look forward to at St. John's at 3.00pm on Sunday 27th June when our dear Father Josh will be ordained as a Priest in the Church of God by Bishop Will Hazelwood, Bishop of Lewes. And then on Tuesday 29th June which is the feast of Saints Peter and Paul, Fr. Josh will celebrate the Mass for the very first time at 7.00pm at St. Andrew's Church on Clifton Road in Worthing. Please put these dates firmly in your diaries and calendars. A time of great rejoicing for St. John's and St. Andrews, as we emerge from lockdown and what a wonderful party we will have!

Love, Joy and Peace to you all!

Fr. Tim

NOTICES FROM St. JOHN'S

Father Tim has finally been inducted in a lovely ceremony during the May 2nd Sunday Mass celebrated by The Ven Luke Irvine-Capel. A picture of the two just after the event is presented on the front page.

St John's May Devotion has been postponed until after lockdown.

A Requiem Mass was held at 11am by Fr. Roger on Weds 5th May for Fr. Beau, with music very well presented by Fr. Tim and attended by a good number of churchgoers from both St. John's and St. Andrew's.

Note that St. John's will stay open unless the Government instructs us to close. If people are feeling unwell or vulnerable, however, we would advise them to stay home until after they are fully vaccinated. It would be lovely to see people but safety is especially important at this time.

Please use face masks, 2 metre distances, hand sanitiser and stick to your own bubbles in church. In addition, please leave immediately after the Angelus to protect one-another and the NHS.

PRAYING FOR THE SICK

The names of the sick to be remembered at each mass need constant updating. If anyone has asked for a person to be on the current list, can you please let me know how they are, so we can either :-

1. Continue to pray for them,
2. Transfer them to the Parish Prayer Group, who pray daily for those needing long term prayer support, or
3. Take them off, if they have recovered, on the understanding that they can be returned to either list as their condition requires.

Thank you. *Gena*

A HOMELESS CRISIS
EMERGES IN THE WAKE OF COVID

"THIS LAST YEAR MY LIFE HAS BEEN LIKE A GAME OF JENGA WITH BLOCKS FALLING RAPIDLY ONE AFTER THE OTHER. I NEVER WANT TO SLEEP ROUGH EVER AGAIN. ... I AM PROOF THAT BECOMING HOMELESS CAN HAPPEN TO ANYONE – ESPECIALLY NOW".

Turning Tides, the largest provider of support for homeless men and women in West Sussex are starting to see the real economic impact of Covid, as increasing numbers depend upon them.

The charity's services are now under huge pressure as increasing numbers of local people lose their livelihoods and subsequently their homes.

Simon, like so many others, never thought his life would unravel completely. Following the breakup of a long term relationship, he had to live out of his van for three months.

" Last March was the worst year of my life, within just a few days everything completely fell apart when my long term relationship ended. I was devastated and had absolutely nowhere to live. At the same time, the country went into its first lockdown - frightening for everyone. Worse still, work dried up and I found myself 'sofa surfing'. I can only describe that time as feeling completely shell shocked and very afraid that this was happening to me. It was absolute hell. "

Fortunately, Turning Tides were able to support Simon at their local Community Hub where he accessed hot showers, clean clothes, hot meals and emotional help from keyworkers. Simon is now in accommodation provided by Turning Tides and is rebuilding the future he longs for.

For the first time ever an estimated 1,000 people, including families, are living in temporary emergency accommodation across the county. Unless they are supported into proper housing and, crucially, given support to rebuild their lives, it is only a matter of time before these short term remedies end and many are returned to the streets. With a shortage of temporary accommodation, limited affordable housing and rising numbers of people becoming homeless, Turning Tides are painfully aware the homeless crisis brought by Covid has only just begun.

Turning Tides are committed to find lasting solutions for local people, like Simon, who just need the chance to rebuild their lives - but they cannot do this without the continued support from our community.

DONATING WHATEVER YOU CAN AFFORD WILL ENABLE TURNING TIDES TO PROVIDE VITAL SUPPORT TO PEOPLE LIKE SIMON - ACROSS WEST SUSSEX

CURATES CORNER !

Sometimes, trying to boil an egg can be an absolute pain. The water is bubbling, the egg is lowered in, the timer set meticulously. Once the timer goes off, you carefully extract the egg from the water and peel off the shell, only to discover that the blasted thing is too over or under done. I have come to the conclusion that, no matter how careful you are when boiling an egg, what is actually happening inside the shell remains one of life's great mysteries.

The human heart is an even greater mystery. Underneath the shell of relationships, experiences, joys, sorrows, it can be difficult to know what is truly going on in someone's heart. We never know for certain exactly what another person is thinking or feeling. Indeed, there are times when we realise that we often don't know what we're thinking or feeling ourselves!

When we live and worship together as Christians, it can be easy to go on appearances: "Such and such didn't come to a, b, or c." "So and so isn't very x or y." All Christians are going through the experience described by the prophet Ezekiel, where our sinful, sad hearts are being replaced (often slowly and painfully) with a pure, Christlike heart, able to love God and Neighbour like Jesus does (Ezekiel 36:26).

Nobody is perfect, only God. We're all being made more Christlike, but it takes time. It's not our job to attack our Brothers and Sisters in Christ, instead we must show them the love, patience and forgiveness that we all need. This love that we share with one another is one of the only ways that we can know that we are growing as Christians, as St John put it, "Whoever loves God, must also love his Brother" (1 John 4:16).
