Dear Brothers and Sisters

October 2020

At this time of year, unless you live in an extremely urban environment, you will see the signs of Harvest. Huge combine harvesters are at work in the fields, reaping the golden wheat and barley, baling the straw and gathering the grain. For farmers it is the high point of their year, and a moment celebrated with thanksgiving in churches throughout the land. We will be celebrating our Harvest thanksgiving Mass on the 4th October here at St. John's.

But what about the spiritual harvest? When Jesus spoke about the Sower and the seed, He likened the Gospel to seed that was sown with the hope of a harvest. Some fell on good soil and produced much fruit, but other seed was less fortunate and there was little outcome, a reminder that Christian discipleship and ministry can sometimes be hard work.

An early missionary to Iran, Robert Bruce, wrote this to his supporters back home: "I am not yet reaping a harvest, I am not yet sowing the seed. I am not even ploughing the soil, but I am pulling out the stones. This too is gospel work, and worthy of your prayers."

With this in mind, remember those who serve God faithfully in difficult and unresponsive situations, either overseas or here in post-Christian Britain. Some experience great success in ministry, for which we are grateful, and many churches experience times of growth, for which we give thanks to God. For others, though, they may well sow in tears before they can reap with songs of joy (Psalm 126:5-6).

What of your own situation? If you are enjoying a time of growth, be sure to recognise that it is God who gives the growth. But if the work is hard and disappointing, despite your best efforts, do not lose heart. The work is God's and we have only to be faithful.

Love, joy and peace to you all,

Fr. Tim

PRAYING FOR THE SICK

The names of the sick to be remembered at each mass need updating. If anyone has asked for a person to be on the current list, can you please let me know how they are, so we can either :-

1. Continue to pray for them,
2. Transfer them to the Parish Prayer Group, who pray daily for those needing long term prayer support, or
3. Take them off, if they have recovered, on the understanding that they can be returned to either list as their condition requires.

Thank you.

Gena

Free National Phone Line Bringing Worship & Prayer

Government figures show that 2.5 million people aged 75 and above have never used the internet. And so, to help them, the Archbishop of Canterbury, Justin Welby, recently launched a free national phone line to bring worship and prayer into the homes of those without access to the internet.

Daily Hope, which is available 24 hours a day on 0800 804 8044 offers music, prayers and reflections as well as full worship services from the Church of England.

A Note from the Editor!

Services at St John's continue with face coverings used at all times. Take care everyone!

CURATES CORNER !

I love to gaze up into the night sky and see the billions of stars that fill the heavens above us. Scientists currently estimate that the Universe is roughly 93 billion lightyears wide. That's a lot of space! As wonderful and awe-inspiring the stars above us are, they can leave us feeling small, insignificant. The tallest man to have ever lived was only 8ft 11in tall when he died. This might sound big, but it's a long way off of a lightyear, let alone 93 billion lightyears.

As Christians, we believe in a God who cares and loves each one of us, no matter how small or insignificant we think we are. One of the ways in which God shows us this love is by giving each one of us a Guardian Angel of our own to protect us. I know what you're thinking, that sounds like a story that you tell children when they're scared. Hear me out!

Belief in Guardian Angels is actually very ancient, taught by both Sacred Scripture and Tradition. In Matthew's Gospel, Jesus tells his disciples that children have angels that have direct access to God in heaven (18:10). St Anselm teaches us that this means that from the moment life begins, everyone is given an angel to look after them. Francisco Suarez, an important Jesuit theologian, warns us that we cannot see Guardian Angels as an optional extra. If you deny them, you also deny the Bible and the saints that teach us about them.

So next time you look up at the stars and realise just how small you are, don't be tricked into thinking that you don't matter. You are precious to God, and that's why he has given you a Guardian Angel to be your own supernatural bodyguard.

PCC NEWS!

The news from the PCC is a little (!) late thanks to the lockdown stopping the approval and release of minutes. Among the items discussed at the previous meeting in January 2020 were:-

The Health and Safety Policy for St. John's requested during a visitation by the Bishops representative and also by our insurers was approved.

The Parish Profile has been extensively updated and finalised. Hopefully a candidate will find our document and opportunity irresistible! Yes I know it worked, but how often does a plan come together so well?

The accounts were almost complete for review by the auditors. Changes to the fees for various items were discussed and will be implemented by Chris. Trials of a new accounting system will be run when time permits.

Kids Café was put on hold due to lack of customers and staff. This will be reviewed later by the PCC.

A large number of children leave preschool this year so a recruitment drive will be progressed.

Christmas Fair was well attended, but income slightly down. The Epiphany Lunch was a big success as always!
