My Dear Brothers and Sisters

September 2020

September is usually the time when we get back to our normal routines after the Summer break. With the current coronavirus pandemic, it's very different this year! However, here in our parish, the month of September is still a good time for us to consider how God can use *us* to make a real difference in our church community, workplace, school, family, friends and local community.

In his great love for us, God equips us with everything we need to make His love known to others. God does this in so many ways but chiefly by nourishing us with the nutrients of His Word and His Holy Presence in the Blessed Sacrament of the Altar. That is why I believe coming to Church Sunday by Sunday is so important – because above all, church connects us with God, church connects us socially, church allows us to feel reverence for God and his creation, church fills our hearts with song and church is where we find deeper meaning in our lives.

When God gave Moses the job of bringing the Israelites out of Egypt, He asked the question, *'What is in your hand?'* (Exodus 4:2). Moses was holding his staff, which represented his livelihood (what he was good at); his resources (his flock represented his wealth) and his security (which God was asking him to lay down).

God asks the same question of us: *What has God given you?* Our gifts, temperament, experience, relationships, mind, education can be used in the work God has given us to do. How will we use them to make a difference in the places where He calls us to serve Him?

John Ortberg, in his book *It All Goes Back in the Box*, speaks of Johnny, a 19-year-old with Downs syndrome. He worked at a supermarket check-out putting people's items into bags. To encourage his customers, he decided to put a *thought for the day* into the bags. Every night his dad would help him to prepare the slips of paper and he would put the thoughts into the bags saying, *'I hope it helps you have a good day. Thanks for coming here.'* A month later the store manager noticed that Johnny's line at the checkout was three times longer than anyone else's! People wanted Johnny's thought for the day. He wasn't just filling bags with groceries, he was filling lives with hope!

God has given us all the necessary gifts which will help and encourage others in their pilgrimage to the heart of God. May we like Johnny, through our daily tasks and daily actions and words, fill people's lives with hope.

Love, joy and peace to you all.

Fr. Tim

PRAYING FOR THE SICK

The names of the sick to be remembered at each mass need updating. If anyone has asked for a person to be on the current list, can you please let me know how they are, so we can either :-

1. Continue to pray for them,
2. Transfer them to the Parish Prayer Group, who pray daily for those needing long term prayer support, or
3. Take them off, if they have recovered, on the understanding that they can be returned to either list as their condition requires.

Thank you.

Free National Phone Line Bringing Worship & Prayer

Government figures show that 2.5 million people aged 75 and above have never used the internet. And so, to help them, the Archbishop of Canterbury, Justin Welby, recently launched a free national phone line to bring worship and prayer into the homes of those without access to the internet.

Daily Hope, which is available 24 hours a day on 0800 804 8044 – offers music, prayers and reflections as well as full worship services from the Church of England.

A Note from the Editor!

Services at St John's continue with masks introduced for all services from Saturday August 8th. Take care everyone!

INSPIRING GENEROSITY

As we head into the summer, I wanted to thank you all for the magnificent response there has been on parish share despite the impact of the virus and all that that has involved. The generosity that has been shown has been truly inspiring.

As we approach the end of July, our collection rate is less than 7% below what we would normally expect and we are enormously encouraged by the fact that well over half of the respondents to a survey indicated that they believed they could maintain their parish share payments even if lockdown continued for the rest of the year.

Donations from parishes in excess of their original pledge have been a particularly encouraging demonstration of commitment to the household of faith to which we all belong. The generosity of those who can afford to pay more is hugely appreciated and crucial to supporting those who are suffering more.

We have also been very moved by the many communications we have received explaining the difficulties faced and the sorrow felt at having to reduce payments. We would like to reassure you that, although we have been unable to reply to each message individually, we do recognise the difficulties and are very grateful for the sacrificial giving which has enabled you to give as much as you have.

We are also conscious that some of you have been drawing on reserves in order to maintain payments, for which we are also very grateful. We are only too aware that as reserves are used up, payments are likely to fall further, as some of you have already warned. On the basis of the results of the survey and other communications, it seems likely that total payments this year will be down somewhere between £1m and £2m. This represents a figure of between 7 and 15%, so once again, thank you!

Kind regards,

Gabrielle Higgins
Diocesan Secretary

CURATES CORNER!

One of the best things about studying at St Stephen's House, is that you live on a street almost entirely made up of coffee shops and takeaways. Along the Cowley Road you can find delicacies from almost anywhere in the world you can think of. My wife always teases me whenever we order food however, as I have a habit of always ordering the same thing. Pizza? Seafood with stuffed crust. Chinese? Satay sauce with vermicelli noodles and so on... If you find something great, once is never enough!

On September 14th, the universal Church celebrates Holy Cross Day. This 'Feast of the Cross' commemorates St Helena (Emperor Constantine's mother) discovering the Cross upon which Jesus had been crucified. In this feast, Holy Church reminds us that Jesus' victory on the cross is the great mystery that lies at the heart of the Christian life. Indeed, it was on the Cross that the Church was born, as the Blood of the Eucharist and the waters of Baptism flowed from Jesus' pierced side (John 19:34). St Paul goes as far as to say that the Cross of Jesus is the clearest expression of God's 'wisdom' and 'power' (1 Corinthians 1:24).

If you find something great, once is never enough. Accordingly, the Church of England traditionally celebrates the Feast of the Cross twice a year, under the titles of 'Holy-Cross Day' on September 14th and 'The Invention of the Cross' on May 3rd. The mystery of God's love and power revealed in the cross of Jesus is so wonderful, so beyond comprehension, that one feast just isn't enough!

EAGLES SUNDAY CLUB

Sunday 20th September

The Assumption!

The feast of the Assumption of our Lady is one of the feast days devoted to Mary in our Church Calendar. We do not know many historical or biographical facts about Mary but our devotion to Mary is, for most people, based not on knowing lots of facts but upon the pure and simple love that she inspires in us. Even though it happened a little differently for Mary, Jesus was the source of salvation for this holy woman who, just like us, was given a promise, a promise, of incredible things if only she would obey and trust God. What we celebrated on this Feast Day, is God's fulfilment of His promise to Mary. At the end of her life, she who had been kept safe from sin from her first moment of conception in St. Anne's womb, was assumed body and soul into Heaven to receive her promised reward, the same reward, by the way, that has been promised to us. This Feast Day is to inspire all of us to follow Jesus even more closely, so that we are following His Way straight home to Heaven. We are going to want to be there, in that number, as the old song goes. The only question today is, what are we doing about it? May God bless us on this Feast Day and get us ready, AMEN !!!

Fr. Tim
